My First Friend

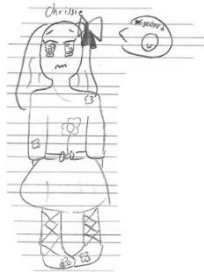

Chrissie Yeung is my best friend. She was also my first friend. I have known her since she was a month old. She has a brother. We often hurt him by accident and annoy him on purpose. I hope Chrissie and I will be friends forever.

My First Sleepover

I have wanted to have a sleepover for a long time. A few months ago, my dream finally came true.

I had my first sleepover with my best friend Chrissie and her brother Chaney. It was an exciting experience. We tried to sleep in a tent in Chrissie's bedroom. Chaney got the bed and Chrissie and I got the tent. But we ended up sleeping on the bed because Chaney scared us and got kicked out of Chrissie's bedroom by his father.
